WHAT CLIENTS SAY ABOUT US ➔

The Greatest Experience Ever

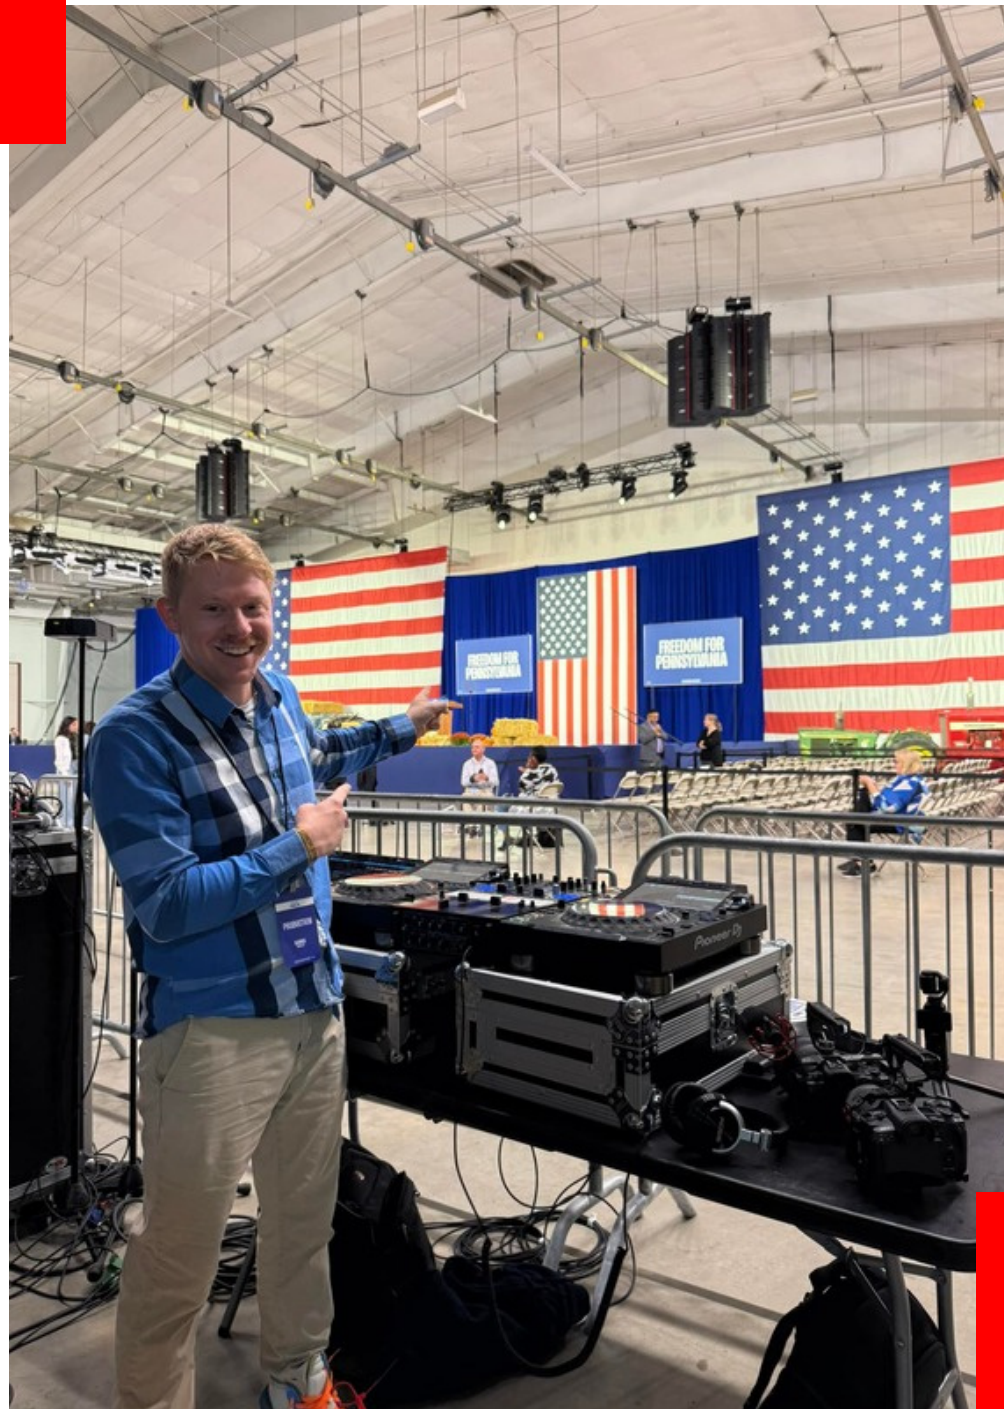

Ross Productions has been an asset to not just the city, but the entire community. Their generous donations, support, and event production for Artsfest, Kipona, NYE Celebration, St. Patricks Day Parade, and the Holiday Parade have helped us spread joy, laughter, fun, and engagement. We LOVE working with the Ross Team!

WHAT CLIENTS SAY ABOUT US

Tyler & Ross Productions team exceeded expectations!

When we hired a DJ to play background campaign music, we did not expect him to hype the crowd and coordinate with the entire production team to create a full-blown party. We now know the difference between a DJ and a Ross Productions DJ. Highly recommending, all politics aside!

We take care of the second part closer to your BIG DAY so you don't have to worry if you change your mind down the road on what your event looks or feels like.

The invoice is also broken into 2 parts. The Retainer locks you in, which is only \$500. The remaining balance is due 30 days prior.
