WHAT COUPLES SAY ABOUT US ➔

The Greatest Experience Ever

Our wedding day would not have been the same without the help of Ross Productions. From the energy of the DJ, to the magic of the cold sparks, they executed every part of our day beautifully. As a overwhelmed bride, having the ability to constantly contact Tyler with questions, as well as have our scheduled video meetings, was a godsend to having the day unfold the way I dreamed it would.

Tyler went far beyond his role as a DJ; he made me feel like I was collaborating with a dear friend who had my best interests at heart. His impeccable organization and professionalism were unparalleled, and he worked seamlessly alongside the day-of coordinator to ensure every last detail was flawless.
